Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Workforce Development Pathways Targeting Dislocated and At-Risk Populations project in fiscal year 2023. The entity to receive funding for this project is Santa Ana College, located at 1530 W 17th St, Santa Ana, CA 92706.

This project will develop complete career education (CTE) pathways for disadvantaged, dislocated or at-risk adult learners that start in non-credit courses (for CTE skill development and prep for credit programs, basic skills, English) and transition to credit certificate and degree programs. The project will these pathways for in-demand occupations and careers in the region to diversify the workforce and broaden engagement and access by marginalized populations. The project will enable dislocated workers, un- and under-employed and working poor to enter occupations that earn family-sustaining wages.

I certify that neither I nor my immediate family has any financial interest in this project. My son currently attends the college.

Sincerely,

J. Luis Correa
Member of Congress
