The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Santiago Creek Festival Grounds Transformative Project in fiscal year 2022. The entity to receive funding for this project is the Discovery Cube Orange County, located at 2500 N Main St., Santa Ana, California 92705.

The funding would be used to expand Discovery Cube Orange County, a non-profit children's science center. The project will acquire adjacent blighted property to create an open-air festival space with seasonal science exhibitions. This sustainably designed facility will be located along the Santiago Creek, bringing a year-round community focused enhancement of an extremely blighted area, located in the middle of a highly populated, urban area. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "J. Luis Correa".
