Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Rancho Santiago Community College District Digital Access Consortium Project in fiscal year 2022. The entity to receive funding for this project is the Rancho Santiago Community College District, located at 2323 North Broadway, Santa Ana, California 92706.

The funding would be used to convene a consortium of educational, community, workforce and economic development leaders to create digital resource centers to expand access to computers, internet services, digital literacy training, and individualized skill-development resources; provide flexible and accessible career education for in-demand occupations in the region that are part of career pathways; and provide digital marketing and e-commerce programs for small businesses, with targeted outreach to minority- and women-owned businesses. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "J. Luis Correa".
